## Praise:

We are thankful to our heavenly Father for this opportunity to minister to servicemen and servicewomen. We are also grateful for the United States—a country where we can worship freely without the fear of persecution.

## Pray:

This month, please lift up In Touch's efforts to use the *Messenger* to encourage U.S. military personnel.

**WEEK 1:** Pray for God to provide the resources to send In Touch *Messengers* to all military chaplains who request them.

**WEEK 2:** Pray for distribution of the *Messenger* to go smoothly and that these units would reach our military men and women quickly.

**WEEK 3:** Pray that the soldiers who receive these handheld, solar-powered audio players will grow closer to Christ and be encouraged by this message from home.

**WEEK 4:** Pray that all our soldiers—and those who know them—would know Jesus as their Savior and allow God to transform their lives.

# Praise:

The underground church in China is growing! Thank God that His Holy Spirit is moving around the world, even in places where people are persecuted for their faith.

# Pray:

This month, join us in praying for the church in China.

**WEEK 1:** Pray for the physical and spiritual well-being of church leaders throughout China.

**WEEK 2:** Pray for missionaries ministering to the lost in that country of more than one billion people.

**WEEK 3:** Pray that government officials in China would hear the gospel and that lives would be changed.

**WEEK 4:** Ask God to use the Chinese-language versions of the “In Touch” radio and television broadcasts to touch lives through Dr. Stanley’s teaching.

## Praise:

*In Touch* magazine began printing 30 years ago as a newsletter called “Vine Life.” Since then, it has reached a distribution of more than 800,000 every month. We thank God for using this tool to spread the gospel and share practical, biblical truth with new Christians and mature believers.

## Pray:

As fall approaches, we focus on prayer for *In Touch* magazine.

**WEEK 1:** Pray for those who receive this monthly publication—that their lives would be touched by its biblical teaching and inspiring articles.

**WEEK 2:** Pray that the magazine would reach people around the world who need to hear the truth of the gospel.

**WEEK 3:** Ask God to supernaturally place *In Touch* magazine in waiting rooms, mailboxes, restaurants and many other “strategic” locations.

**WEEK 4:** Pray for the magazine’s production team—the writers, editors and other support personnel who are responsible for its content and publication every month.
