A close-up photograph of two hands, one resting on top of the other, placed on an open Bible. The hands are positioned over the text, which includes verses 152 through 157. The lighting is warm and focused on the hands and the text. The word 'Pray.' is overlaid in a large, light-colored, serif font at the bottom of the image.

152 Of old I have founded them  
And all their generations  
153 Look upon my affliction and  
redeem me  
For I do not forget Your law.  
154 Plead my cause and redeem  
me according to Your  
word  
For they do not seek Your  
advice  
Therefore is far from the  
earth Your promises, O  
God  
155 Remember me according to Your  
steadfast love  
156 My prayer is not for  
vanity  
Nor for a great anger  
157 Reprobate have I hated  
Your law  
Therefore have I despised  
my seat  
For I have not despised  
Your commandments  
For I have kept Your statutes  
And I have not kept Your  
law

for YOU

**H**eavenly Father, how grateful we are for the privilege of walking with You, the Sovereign Lord of the universe. Thank You that You do not expect us to live the Christian life on our own. Instead, You lovingly guide us moment by moment, giving us an inexhaustible and awesome source of confidence, courage, strength, and joy.

You lovingly guide us moment by moment.

Father, I lift up this prayer warrior and all the members of the Impact Prayer Team. Give them the faith to believe that You desire to communicate personally. Open their spiritual ears to hear Your still, small voice speaking to them—both in their devotional times and throughout the day. As they read Scripture, talk to them in a special way about the trials and heartaches they may be facing. Let the power of Your written Word so saturate their lives that the godless messages of this world simply fade away in comparison with the security and peace found in walking with You.

I am grateful for the Impact Prayer Team as well as their faithfulness to lift up the needs of In Touch Ministries. We look forward to the awesome work You will do in 2012 as they partner with the ministry to take the light of Your Word to lost and hurting people. In Jesus' name, Amen.

Prayerfully yours,

Charles F. Stanley

LEARNING *to* WALK *with* GOD

## Praise

Thank You, Father, that You teach us to live purposeful and praiseworthy lives as we listen to Your voice and submit to it.

## Pray

**WEEK 1:** Pray that our listeners and supporters will believe God wants to speak to them personally and learn to listen and obey to the Father's voice.

**WEEK 2:** Lift up Dr. Stanley this week, asking the Lord to give Him clear direction for his life and ministry in 2012. Pray that he will be sensitive to the Holy Spirit and submissive to His will.

**WEEK 3:** Pray that each member of In Touch's executive team will grow closer to the Lord by seeking His guidance and surrendering to Him.

**WEEK 4:** Pray for the leadership of In Touch to do their work as unto the Lord. Ask God to give them wisdom and grace to deal with challenges both in the workplace and their personal lives.

**WEEK 5:** Pray for all In Touch employees to seek the Lord's vision for their lives this year and to be obedient to whatever He reveals.

## EXPERIENCING GOD'S AFFECTION

### Praise

Thank you, Father, for the sacrificial love Jesus displayed when He died on the cross so that we could spend eternity with You.

### Pray

**WEEK 1:** Pray that In Touch's listeners and supporters will draw near to God and let Him fill their hearts with His perfect love. Ask Him to enable each one to love sacrificially—just as He does.

**WEEK 2:** Lift up couples this week and ask that their relationships be grounded in integrity and reflect God's selfless love. Also, say a prayer for those who feel alone or unloved this Valentine's Day, whether they are single or in difficult relationships. Pray for them to experience the Father's affection in tangible ways this week.

**WEEK 3:** Pray for the other members of the Impact Prayer Team, asking God to reveal His amazing love to them and meet each one of their needs. Also, ask that more people will feel led to intercede for In Touch Ministries.

**WEEK 4:** The Customer Care department answers the phones at In Touch. Pray for them to be sensitive to the Holy Spirit as they minister to those who contact us. Ask God to bless them abundantly in every area of their lives.

SUBMITTING *to* GOD'S TIMING

## Praise

Thank You, Father, that You act on behalf of those who wait on You.

## Pray

**WEEK 1:** Believers sometimes become impatient while waiting on God's timing. Lift up *In Touch's* listeners and supporters so they may learn to trust the Father even when He seems slow in responding to their prayers.

**WEEK 2:** Intercede for the staff of *In Touch* magazine. Pray for them to communicate clearly and have an eye for detail. Ask the Lord to use the magazine to draw people to salvation and greater intimacy with Him.

**WEEK 3:** Ask God to guide those who produce *In Touch's* printed resources such as books, workbooks, and pamphlets. Pray that He would use the materials to evangelize and encourage many people this year.

**WEEK 4:** Last year, our interactive media team created websites in Arabic, Mandarin Chinese, Russian, and five other languages, some of which will reach those in closed countries. Ask God to expand our online influence, using the sites to spread the gospel and minister to those who may have no other opportunity to hear God's Word.
