

Stronger Day by Day: “Grow in the grace and knowledge of our Lord and Savior Jesus Christ” (2 Peter 3:18).

Father, thank You for helping us grow daily as we learn to live by grace.

Week 1 For Those Returning to School

In the coming weeks, students everywhere will return to school. Please join us in praying for their safety and growth.

May students, teachers, and administrators be transformed by God’s love.

Week 2 For the In Touch Leadership Team

Please pray for Dr. Stanley and the leadership team at In Touch as they plan for the coming year. May God give them wisdom to use resources in the most effective way, guiding them to pursue what will bring the most people to Himself.

Week 3 For Our Spanish Team

We are so grateful for the members of our Spanish team. Their loving dedication helps make our discipleship materials available for Spanish speakers everywhere.

Please join us in praying for them. May the grace of God be shared with many, to His glory, through their talented service.

Week 4 For the *In Touch* Television Broadcast

Please pray that God would work powerfully through the *In Touch With Dr. Charles Stanley* television broadcast.

As viewers hear the gospel, may many come to know Jesus Christ as their Lord and Savior, and may those in the faith keep growing as they learn more about His love.
